

Once again Temple Chaverim is pleased to announce our partnership with the Reformed Church in Plainview's program, Feed the Need, that helps those who live at the Hicksville train station and a local motel get a warm and delicious meal.

On March 21st, our TNL Students will be making and assembling food for about 50 people along with members of the Church.

The Church is responsible for their delivery, but the food is up to us.

Here's how we need your help:

- 1) **Donate** - even \$18 or \$36 goes a long way in helping to feed those with food insecurity. Your donations ensure we have the quality ingredients we need to make their food.
- 2) **Shopping** - we have a delicious menu prepared but we need your help in acquiring those items. Do you have time the week/weekend before March 21st to help shop?
- 3) **Pre-cooking** - not all of our dishes can be made on site. We'll need a few volunteers to make brownies that we'll be serving on March 21st. If you can help pre-cook on Sunday or Monday before that day, please let us know!
