

Yad Workshop

Sunday, November 16th

11:15am - 12:00 pm

The Yad is a very special tool and a sacred part of the Torah's adornment. Now you have the opportunity to design and personalize your own Yad, complete with your Hebrew name or words and beading of your choice. The Yad is a beautiful family heirloom that you can use to read Torah for years to come! It is very simple to do.

Step 1: Go to www.MyYad.com to create your personalized Yad. On the website, click the STUDENT login, enter your English name and enter the code **KvSywY** in CLASS ID, then click LOGIN.

Step 2: Virtually design your Yad- there are endless possibilities! Simply drag and drop the beads and letters into place and adjust as needed. Once you have your final design, click SUBMIT YAD which will be shipped to Temple Chaverim once it has been proofed and approved for accuracy online by Cantor Ashkenazy. (*You must complete this step by November 3rd to participate. No exceptions as materials need time to ship.) No project will be ordered without being checked.)

If you need help with the spelling of a Hebrew name or word, please email Cantor at cantor@templechaverim.org for assistance.

Step 3: Come to Temple Chaverim on Sunday, November 16, 2025 from 11:15am - 12pm to assemble your functional works of art and learn all about the history behind your holy creation.

The cost will be \$118 for temple members and \$136 for non-members, which will include all materials, sturdy chain and presentation box.
